

City of Cape Coral – Nicholas Parkway East Improvements – From Santa Barbara Boulevard to Country Club Boulevard

Contractors for the City of Cape Coral are replacing water mains and installing new storm drainage along an approximately 1.2-mile area of Nicholas Parkway from Santa Barbara Boulevard to Country Club Boulevard. Motorists may experience momentary delays while crews move materials for the construction activities. Crews are expected to work Monday through Friday and some Saturdays.

NICHOLAS PARKWAY WESTBOUND TRAFFIC SHIFTED TO THE EASTBOUND LANES WAY BETWEEN SANTA BARBARA BOULEVARD AND SE 6TH AVENUE

Beginning 7 p.m., Friday, January 14, Nicholas Parkway will be reduced to one lane each way between Santa Barbara Boulevard and SE 6th Avenue while crews make watermain, drainage and sidewalk improvements and rebuild the roadway.

- Motorists should expect lane shifts.
- This lane reduction will remain in place until the work is completed.

The following side roads will be closed at Nicholas Parkway. Motorists should follow detour signs.

- SE 4th Avenue
- SE 5th Avenue
- SE 5th Place
- SE 5th Court

SE 6th Avenue will be closed at Nicholas Parkway to eastbound motorists. SE 6th Avenue access for westbound motorists will be maintained.

Westbound Nicholas Parkway from Santa Barbara Boulevard to New Hope Church will be reduced to one lane in each direction for local access to north side properties.

Drivers, bicyclists, and pedestrians should use caution. This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For further questions, please contact Cella Molnar & Associates at 239-337-1071 or via email at info@nicholasparkwayeast.com.
