

November 18, 2022

The City of Cape Coral is beginning a construction project to replace water mains and install new storm drainage along an approximately 1.2-mile area of Nicholas Parkway East from Santa Barbara Boulevard to Country Club Boulevard. Other improvements consist of installing new curb and gutter and swale work. The roadway pavement will be reconstructed to help motorists better navigate the curves along the parkway.

Early offsite work includes constructing storm drainage improvements from Nicholas Parkway East north along SE 2<sup>nd</sup> Avenue, east on SE 10<sup>th</sup> Terrace, north on SE 1<sup>st</sup> Place, then east between the houses located on the south side of SE 9<sup>th</sup> Terrace and Hunter's Run Golf Club.

More information will be mailed to residents and businesses in a project newsletter coming later this month. We encourage you to visit the project website now at [www.NicholasParkwayEast.com](http://www.NicholasParkwayEast.com) and sign up for construction updates.

**\*\*Crews will be off Thursday, 11/24 and Friday, 11/25 in observance of the Thanksgiving Holiday.\*\***

## Construction Look Ahead

Week of November 21, 2022  
(Changes Shown in Red)

### Main Construction Zone

Nicholas Parkway East is reduced to one lane each way between Santa Barbara Boulevard and Cultural Park/Academy Boulevard while crews make watermain, drainage and sidewalk improvements and rebuild the westbound roadway.

- Crews are currently working on restoring sidewalk, road right-of-way and driveways on the north side of Nicholas Parkway.
- Crews are expected to continue restoring the medians.
- Motorists should expect lane shifts and intermittent closures.
- Motorists should follow detour signs.
- This lane reduction will remain in place until the work is completed.

The following side roads remain closed at Nicholas Parkway. Motorists should follow detour signs.

- SE 4<sup>th</sup> Avenue
- SE 5<sup>th</sup> Avenue
- SE 5<sup>th</sup> Place
- SE 5<sup>th</sup> Court

**Sunday, 11/27** nighttime/overnight, Nicholas Parkway East traffic is scheduled to be shifted to the westbound lanes (north side of the median) between Santa Barbara Boulevard and Cultural Park/Academy Boulevard. More information on the traffic shift will be provided next week.

Drivers, bicyclists, and pedestrians should use caution. This schedule may be subject to change due to inclement weather and unforeseen underground conditions.

For additional information, contact the Public Information Consultant for the project, Cella Molnar & Associates, Inc. at 239-337-1071 or [info@NicholasParkwayEast.com](mailto:info@NicholasParkwayEast.com).
